DEDICATION

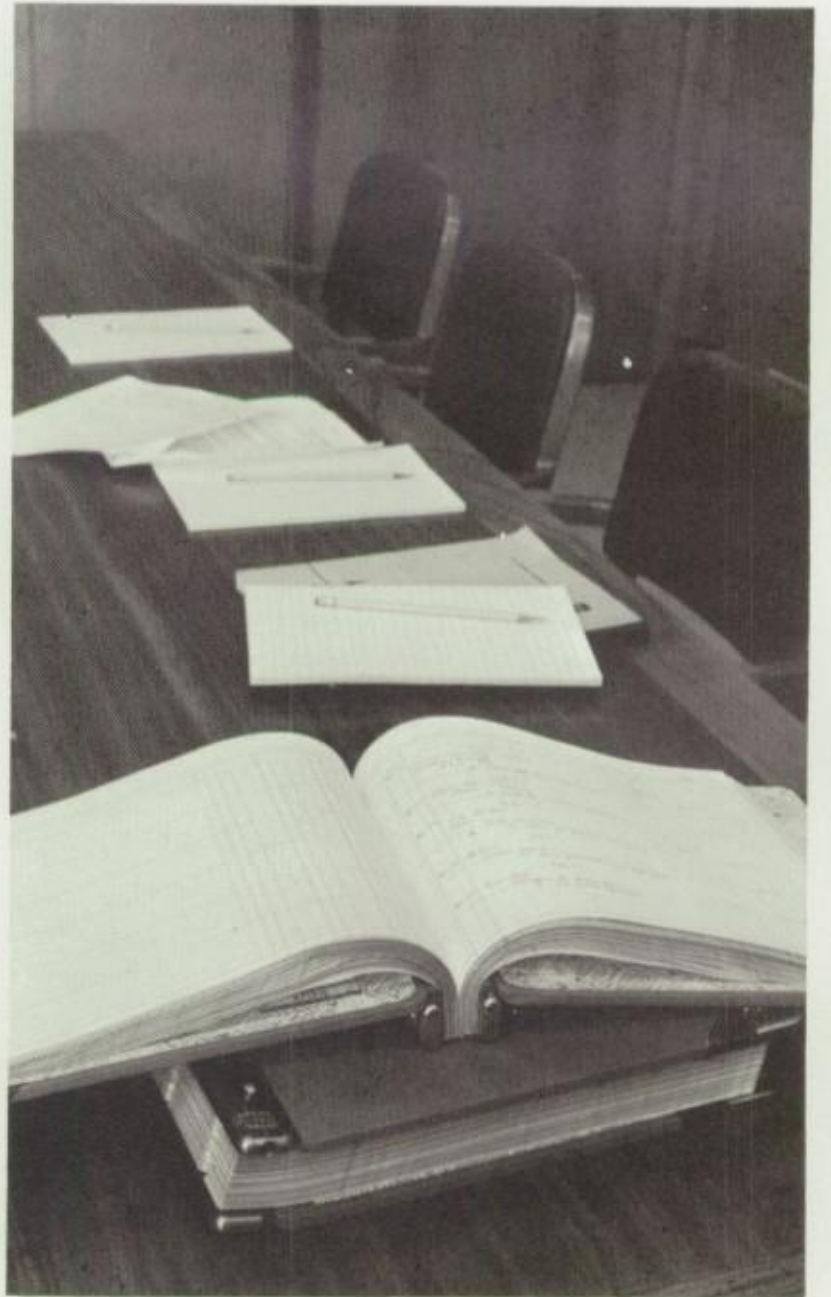

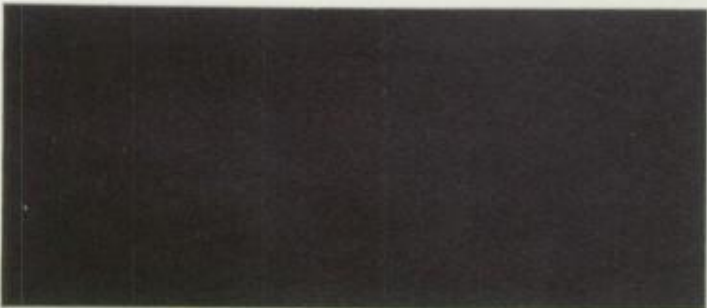

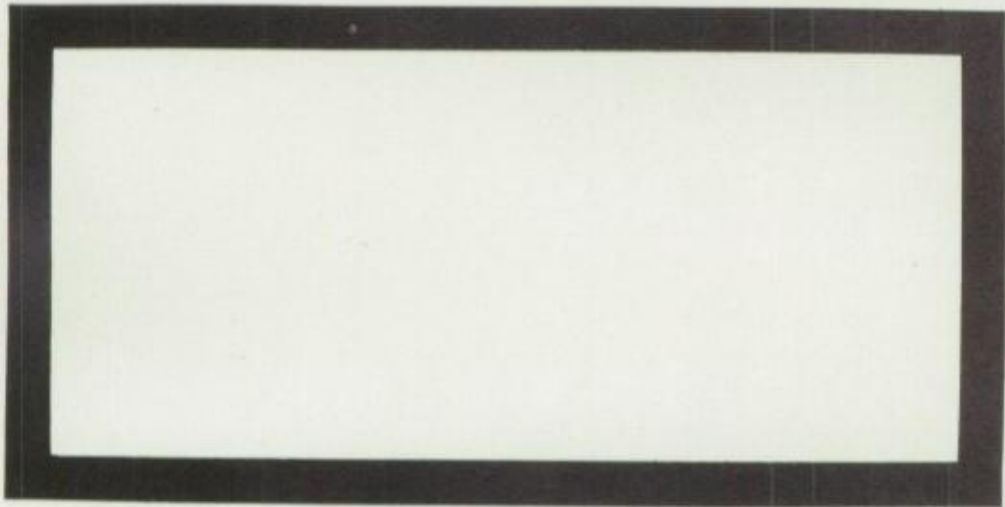

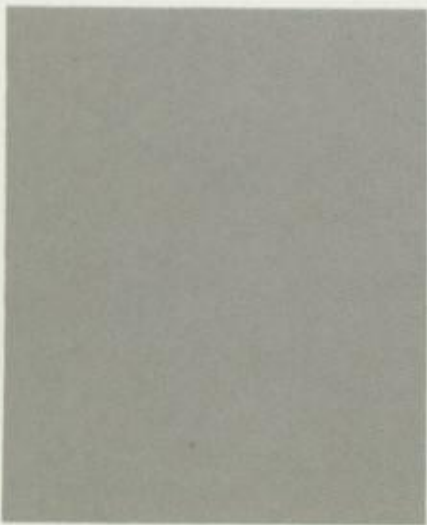

In 1926 Miss Self began a teaching career in the Independence school system that only now is ending. Always sympathetic, Miss Self has encouraged and advised countless students through the years. Her record shows an understanding of students and their many problems.

Because of her accomplishments in the school system and her never failing advice and encouragement, we would like to express our sincere appreciation for all she has done for us by dedicating the 1967 *Orange and Black* to her.

THE MIRACLE WORKER

"THE MIRACLE WORKER" under the direction of Miss Barbara Harvey was a remarkable success both November 17-18. Outstanding performances were given by Vicki Guida and Tim Olson (as the parents) Terry Bridges (as her young teacher) and Dorita Reed (as Helen Keller). Both juniors and seniors worked hard together to produce a first-rate play. This teamwork proved very rewarding to all who worked.

(Left) Dorita Reed as Helen and Terry Bridges as Annie, practice Helen's spelling in the final scene.

(Above) Mark Keeley (stage manager) and Steve McGinness (Student director) stop for a breather.

(Below) the cast and crew pause for pictures after the final performance, of the heart warming story of the "Little Blind Girl."

(Below) The cast and crew of the "The Miracle Worker" pause tired and proud after an outstanding production. A lot of long hard hours went into the perfection of the heart warming story of Helen Keller. Each person who had a part in the production of the play received his reward in joy.

THE STUDENT

News travels fast at IHS, and *The Student* adds a touch of facts and folly. The journalism class has worked hard this year to present to all IHS students an interesting and exciting school newspaper. *The Student* is truly a paper that each and every student is proud of.

left: Marsha Osburn, Penny Vermillion, Janette Rokers, and Kay Monroe, sit busily at typewriters creating articles and reviews. Many sore fingers and wasted sheets of paper have been spent on the *Student* homework.

The IHS Pep Club does a lot of work to keep teams in the best spirit possible. The halls of IHS are crowded with posters which create that wonderful Bulldog spirit which guides our guys to victory. The above Bulldog fans cheer their team as the IHS Pep Band adds the final touch of school and "Dog" spirit.

CHEERLEADERS CREATE PEP

Our thanks goes out to these seven girls who have worked so hard and given so much to their team and their school. Many long hot hours have been put out by these girls at the University of Oklahoma where they attended a cheerleading clinic in the summer. With the help of these girls that famous Bulldog Spirit will always live at IHS.

(Right) Five of the seven Bulldog cheerleaders are shown here creating that wonderful IHS spirit which helps our mighty Dogs to victory. Without these girls to guide our spirit the life of sports would be somewhat meaningless.

STUDENT CHRISTIAN FELLOWSHIP

(Below) The officers for SCF are : Ann Bettis (Seated) president; Sandy Wesley, secretary; Don Mitchell, vice president; Kathy Woolpert, vice president.

Student Christian Fellowship is a non-money making organization. It offers many students, both college and high school, a chance to meet and discuss their ideas, and to find a way in which they can better their lives with others and God. SCF sponsors many assemblies at IHS, some being Thanksgiving, Christmas, and Easter. They often have special guest speakers which give very worth-while ideas and hints toward better living. This group is open to any student in high school or college; it offers these students a chance to start their day in a bright light.

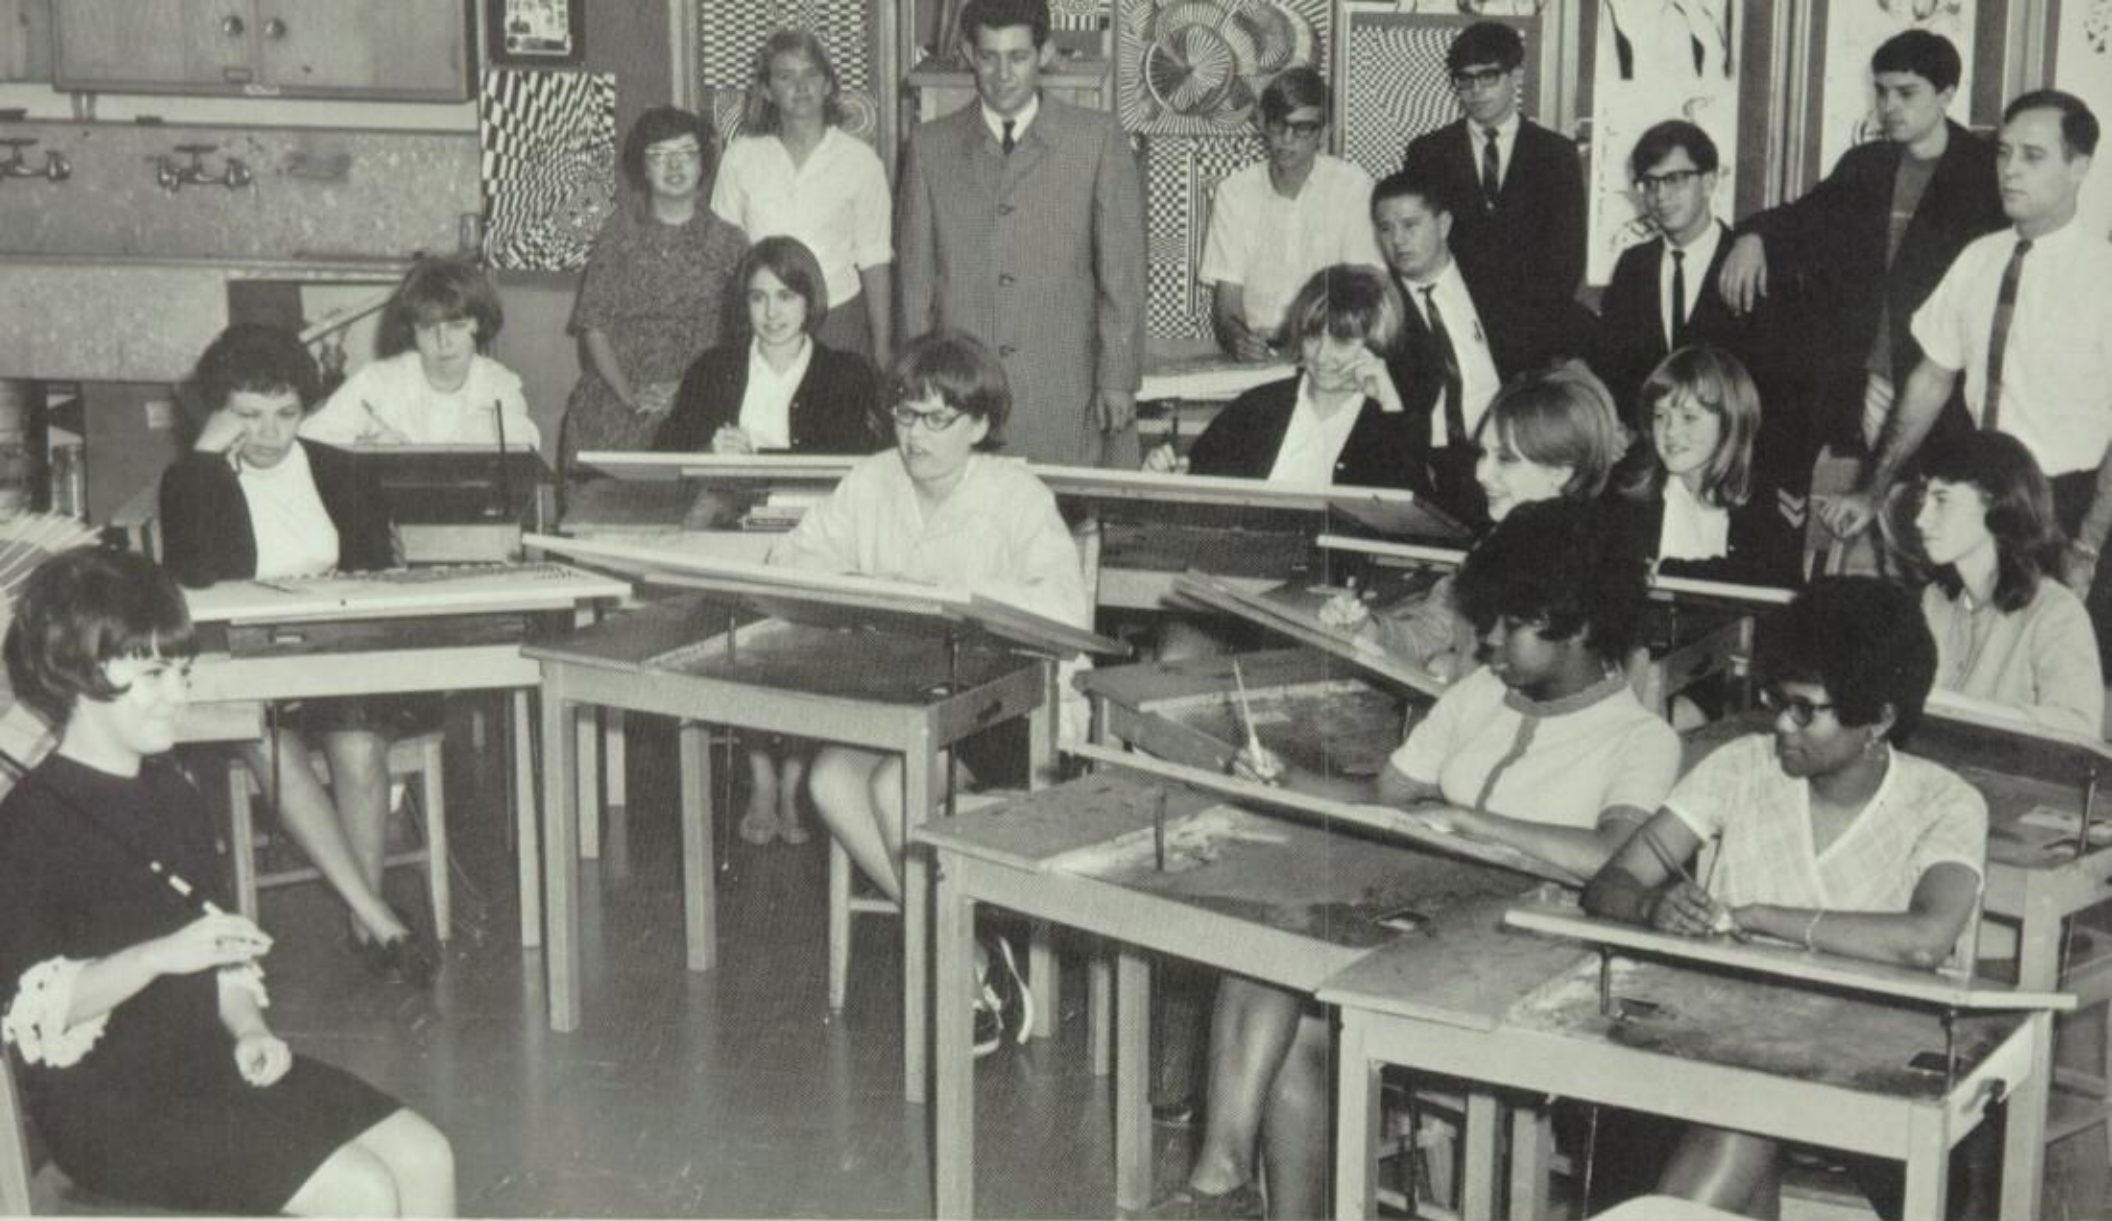

Members are *(Seated)* Myrna Hoffman, Karen Wilson, Janet Gibson, Lucie Hensley, Diana Harclerode, Joyce Asheson, Sandy Aucremann, *(Standing)* Beth Klumpp, Mrs. Hopperstad, (adviser) Patty Romine, Carla Brechbill, Riki Johnston, Sharon Overfield, Joan Cooper, Debbie Wesley, Bernella Johnson, Judy Robinson, Deana Tucker.

FUTURE HOMEMAKERS

Future Homemakers plays an important part in the organization of IHS. This group of girls work hard each year to make gifts for the Childrens' Mental Hospital in Parsons. They also have school projects which help make IHS a better school. In the spring they sponsor a fashion show for the Independence public.

The officers for this years FHA are; *(Left to Right)* Sandy Aucremann, president; Debbie Wesley, treasurer Joan Cooper, Secretary; Riki Johnston, Vice-president; Judy Robinson student council rep.

Members of A.O.A. are (*Left to Right*); Jane Wood, secretary; Susan Greenwood, Susan De Vore, Cheryl Mills, Pat Yerkes, Mary Bramble, Vicki Guida, president; Danny Hagenbuck, Steve Buck, Connie Sparks, student council representative; Charles Ruberson, Larry Vieth, Barbara Smith, La Vonne Pack, Don Mitchell, Pat Scott, vice-president; Dolores Harvey, Larry Fox, Beth Fink, and sponsor, Mr. Roberts Kearns.

ACCENTION ART

For artistic students, I.H.S. has designed the Accent on Art Club. This organization is sponsored by Mr. Kearns and is programmed to help interested students develop their skills in the fundamentals of art. They work with wood sculpture, plaster molds, ceramics, as well as pastels, water colors, oils, and pencil and pen sketches. This group offers proper training and advice to young art students, and it all proves very interesting and a great deal of fun.

Members of the Speech and Debate class are; (Left to Right) Nancy Upton, Dorita Reed, Pat Broils, Valorie Warner.

SPEECH AND DEBATE BACK

Debate is something new for IHS, it has been a number of years since there has been a debate team at Independence High. This sport requires a lot of time and twice as much work. Debate helps the student in more than one way; it gives the student a sense of understanding and better knowledge of argumentation. It helps the student to learn to voice his opinion and thoughts. The speech and debate class also attended speech festivals as well as debate tournaments. This has been a very successful year for the return of debate to IHS.

Other members of the class are; Greg Kasten, Vicki Guida, Susan Todd, and Celia Gill. The sponsor *Not Pictured* is Miss Barbara Harvey.

Officers are (*Seated*) Nancy Rollins, Secretary-Treasurer; Susan Greenwood, Vice-President; Nancy Guier, President; Myrna Hoffman, Stuco. Rep.; other members are; Mary Ann Lopez, Janet Gibson, Evelyn Gordon, Miriam Dye, Mary Ann Stewart, Carin Brechbill, Valorie Warner, and Mrs. Mildred Summers, sponsor.

FUTURE NURSES

Future Nurses is a fairly new organization for I.H.S. Its purpose is to arouse an interest in the field of medical health. During the year the club has had several interesting lectures and guest speakers. Also, they have had demonstrations on basic first aid treatment. Many fun hours have been spent by the members of this group, but they were also very rewarding to each individual. Future Nurses is truly a credit to I.H.S.

ATHLETICS

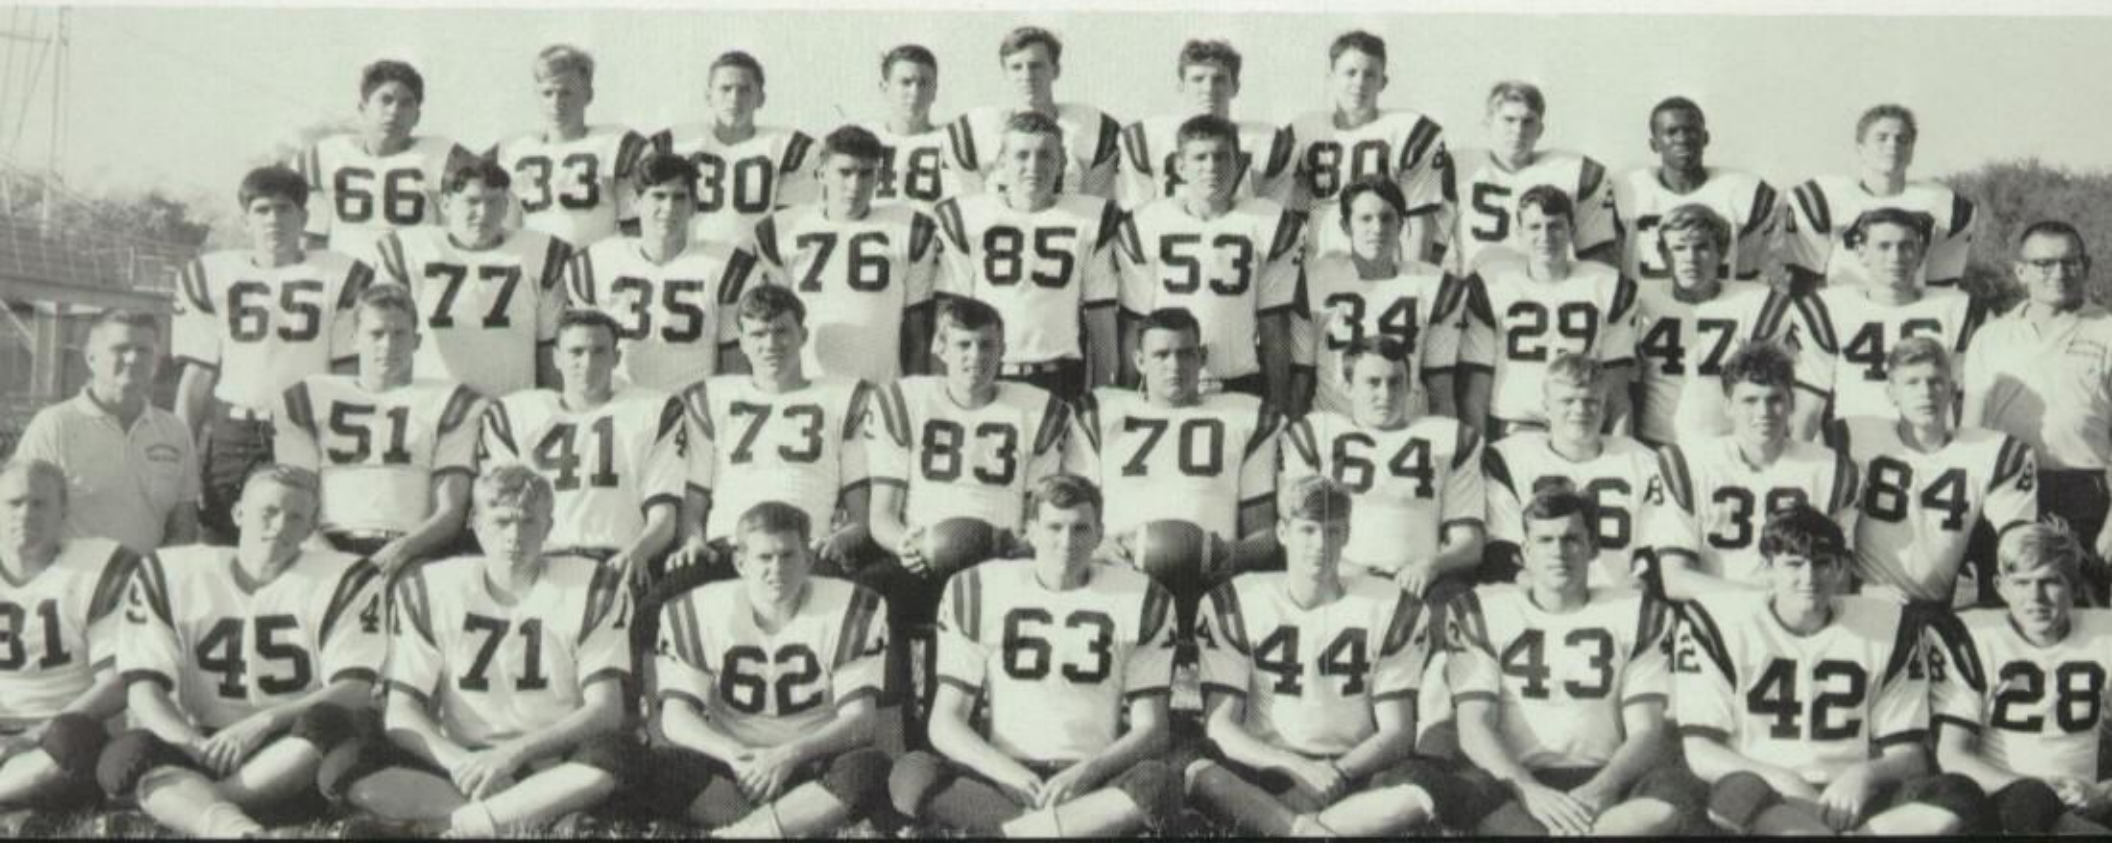

BULLDOGS SHARE RUNNER-UP HONORS

Just one more point and the Independence High School Bulldogs would have shared in the 1966 South East Kansas (SEK) league championship. The Bulldogs finished the 1966 grid season in a two-way tie with the Fort Scott Tigers for second place. Both Conference records of the two teams showed 5-2 records (the teams also played a non-conference game). Columbus gained the SEK 1966 championship with a league 6-1 record. They (Columbus) beat the Bulldogs by just one point. If the Bulldogs would have scored one more point in their Columbus game, there would have been a double tie. First, the game would have ended in a tie. Then, both teams (Columbus and Independence) would have ended the season 5-1-1.

Head Coach "Kayo" Emmot (*Right*) and Coach Bill White take time in to pose for a shot after leading the Bulldogs to many 1966 high-scoring victories.

Independence Bulldogs started their 1966 grid season by beating Altamont 36-6 in a non-conference game. The next game was with Fort Scott who set the Bulldogs back 13-6. The Bulldogs went on to win their next three games against Chanute 13-0, Parsons 20-0, and Iola 53-18. Then came the heart-breaking defeat of one point (11-10) by Columbus. The following week the Bulldogs beat Pittsburg 32-6. To end the 1966 grid season, the Bulldogs outpointed their arch-rival, the Coffeyville Tornado, 42-0.

GOLFERS

EYE

TITLE

Hopes of becoming state champions filled the minds of Independence High School golfers, as they opened their 1967 season. Coach Dee Ketchum's 1966 squad won the regional championship, and pulled the No. 2 spot in the state. Members of the latest squad said they would settle for the No. 1 spot. Returning golf letterman David Sherwood was said to be a key figure in forming the '67 team. David was the only returner who played on a four-man team last season. Two other returning lettermen, Bob Fitzgerald and Mike Jones, helped form the nucleus of this season's golf team.

Mike Thompson (*left*) and Mike David pose before going to the practice field. Both are out for their first year.

The cry of "fore" echoed over the rolling fairways, the sound of a small sphere ricocheting amidst gigantic trees resounded throughout the dense forest, a scream of anguish was heard as a hidden bunker was discovered, and, once in a while, a pleasing "plink" melodiously fell on listening ears. That was the sound as IHS golfers opened their 1967 play at Arkansas City, March 23.

Besides Ark City, our team had games scheduled with Parsons, Chanute, Coffeyville, and three invitationals.

The only three golf lettermen (*l to r*) David Sherwood, Mike Jones, and Bob Fitzgerald appear ready for the 1967 season opener.

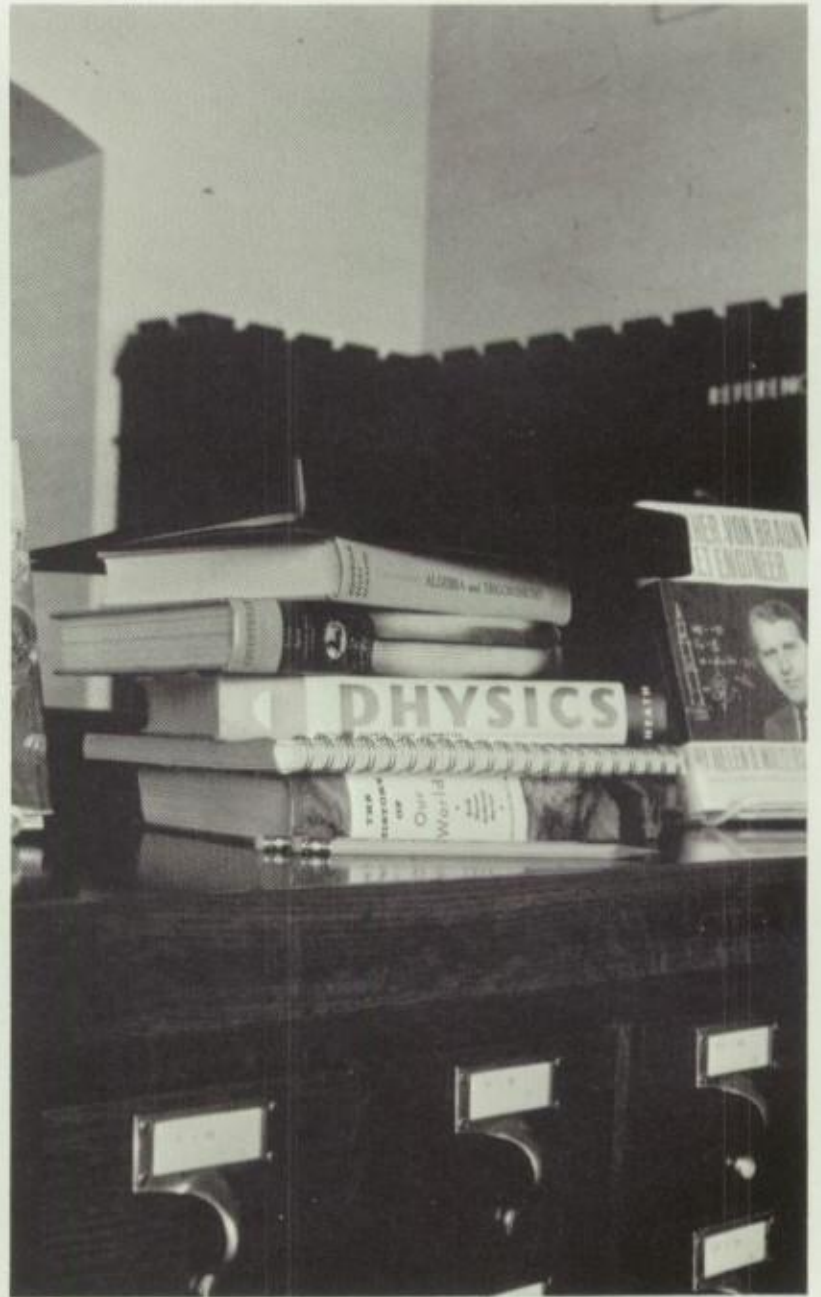

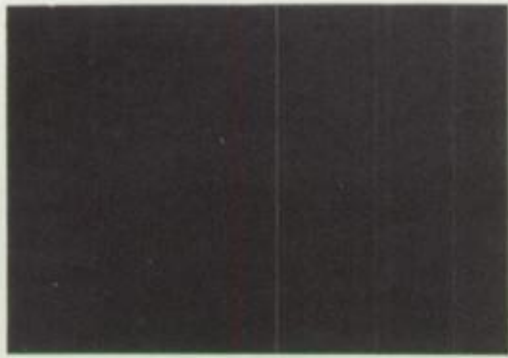

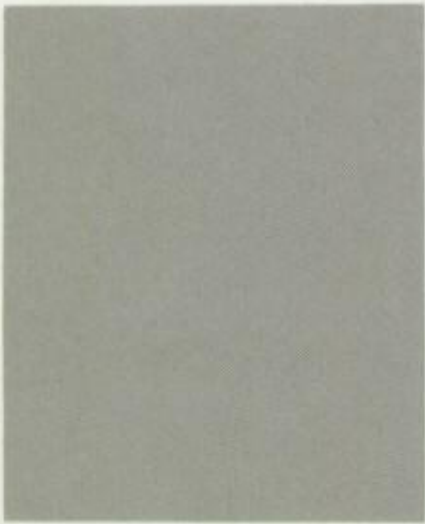

Track season opened March 13 when the first practice began. *At left*, Phil Wohltman, Rick Vencil, James Wyckoff, and Charles Stewart show their relay form. Doug Garrett is shown kneeling in starting position. Tom Beahm holds the shot, ready to throw.
